March 13, 2016

Dear Friends of CSUN Systems & Operations Management

We are pleased to invite you to our annual **Evening with Industry** event. At this event our industry partners and practitioners representing firms that potentially hire our SOM and Global Supply Chain Management graduates will be present. This is an excellent opportunity for company representatives and students to meet and network. We will also present awards to some of our highly achieved students.

The event will be on **Thursday, April 21** at the **Odyssey Restaurant in Granada Hills**. (See [map](#) for directions.) It is co-sponsored by the San Fernando Valley Chapters of the Association for Operations Management (APICS), American Society for Quality (ASQ), as well as the Los Angeles Chapter of the Project Management Institute (PMI).

Prior to the dinner, company representatives will have an option to make a 10-minute presentation about their firms and the job opportunities they offer in the SOM and SCM fields. Following the presentations, there will be a social/networking hour, then a complimentary dinner will be served and a short awards ceremony concludes the evening. At the ceremony we will honor our best students and announce the winners of this year's ASQ, APICS, and SOM Department scholarships.

6:00 to 7:15 pm – Company Presentations (snacks will be served)

7:15 to 8:15 pm – Social Hour/ Networking

8:15 to 9:30 pm – Dinner and Presentation of Student Awards

We need to know by **Tuesday, April 12** whether you can (1) attend the dinner and/or (2) give a 10-minute presentation and staff a table. Please also indicate your dinner choice: salmon, chicken, or vegetarian.

Looking forward to seeing you on April 21!

Andy Yao
